

Jo-Carroll Energy

Sand Prairie

A service of Jo-Carroll Energy

New look. One name.

JCE CO-OP

Electric • Gas • Fiber

You will notice that your bill looks different.

Jo-Carroll Energy and our fiber internet **Sand Prairie** have become one brand. There will be a new logo and a new look to your electric, gas and internet billing, but rest assured, it is still us serving you – our valued member.

As the co-op and our membership has grown and changed over the years, we believe that JCE Co-op better represents who we are. JCE Co-op honors our past by retaining the abbreviated forms of Jo-Carroll Energy and Jo-Carroll Electric Cooperative and returns our co-op identity to our name.

In addition, one of the co-op's businesses – fiber internet – had its own name and logo, Sand Prairie. We believe that one cohesive brand helps members and potential members to know they are working with their local co-op.

*Honoring our past, looking to our future, celebrating 85 years—
JCE and SP are now one brand to best serve our members.
