

Jo-Carroll Energy, Inc. (NFP) (JCE) is a cooperative headquartered in Elizabeth, Illinois. JCE provides electric, broadband, and natural gas services for its members in Northwestern Illinois.

JCE was awarded a Connect Illinois Round 3 grant. Under this RFP, JCE will construct a fiber optic cable last mile broadband network consisting of approximately 95 miles of underground mainline fiber cable with the capability to serve 638 locations.

The purpose of this request for proposals is to solicit proposals for outside construction services for the JCE4 grant project. Interested companies are required to attend a pre-bid conference on October 1, 2024 at 1:00pm central time. Responses to this RFP are due Tuesday, October 8, 2024, at 1:00pm central time. Submission requirements and the pre-bid conference details are noted in the full RFP.
