**Terms and Conditions:**

Do Not Staple

All incentives are available in the case of fuel switching or new construction only. Eligible JCE Co-op members have current **Natural Gas Account** and have purchased & installed items between **January 1 and December 23 of 2025**. **Any incentive claims must be returned to JCE Co-op no later than 3 months after purchase** and no later than **December 23, 2025**, and include proper documentation as noted in red below. **\*\*\*All incentives will be issued in the form of a bill credit.\*\*\*** No incentive will be issued if the member has failed to complete all requirements. JCE Co-op reserves the right to inspect and verify equipment and installation. JCE Co-op reserves the right to modify or end any incentive program at any time without prior notice.

Please allow 3-5 weeks for your incentive to be processed once proper documentation has been received. **Submit ALL documentation including this incentive form, a copy of your receipt or invoice for each item purchased (must include model #, fuel type, size, etc...)** The amount of the incentive(s) given will not exceed 50% of the cost of equipment and installation. All accounts are eligible for only **one** incentive per appliance/unit within a 5-year time period. Signature of member certifies that they have read terms and conditions and comply with all incentive guidelines. In the case of Fuel Switching, a vendor certification is required indicating the fuel source was changed. Can be in the form a signed letter from the contractor stating the switch.
